Ceremonial April 23, 2016

Selama Grotto #147 was opened on April 23, 2016 for the purpose of conducting a Ceremonial for Jody Meguiar, John Mitton, Charles Clinker, and Earl Ray.

Present were seven officers, two past monarchs, one red tassel and four visitors from Zendah Grotto and four initiates.

There was an excellent presentation of the four act drama.

Everyone did a great job.

The drama was enjoyed by all present.

The Grotto was closed in due form by Monarch Joe Griffith.

The Ceremonial was preceded by a social gathering and greeting including donuts and coffee.

It was followed by a light lunch of sandwiches and chips.

Respectfully submitted,

Bruce Ward , PM, Secretary
